SYSTEM

# Window Styles

All our windows and doors are made to measure. We can install a vast range of window and glass styles so you can be confident of finding the ideal look for your home.

# Doors Styles

From the most decorative design through to the simplest, we can install a complete range of doors to suit your individual needs.

# Colours

Enhance your home and stand out from the crowd by adding a splash of colour to your windows, choose from our wide range of colours and wood effects.

# Conservatories

By choosing Twentyfour-seven windows for your conservatory you'll benefit from their attractive slimline appearance and modern energy efficient design. A wide range of conservatory styles are available, we can help you choose the right one for your home.

# Energy Ratings

Changes to Building Regulations in 2010 mean all replacement windows must achieve a U-value of 1.6W/m<sup>2</sup>K or a Window Energy Rating of C or above. When combined with the correct glass specification windows made of Twentyfour-seven profile easily achieve this standard. We can help you identify the most appropriate Window Energy Rating for your home.

# Security

When the correct hardware is specified Twentyfour-seven windows come with the highest security standards and are accredited to BS7950 and our doors achieve PAS23:2007 enhanced security for doors.
